WASHINGTON, DC – House Committee on Oversight and Government Reform Ranking Member Darrell Issa (R-CA) today released a video – *Signs of a Failed Stimulus* – criticizing the Obama Administration for using taxpayer money to pay for propaganda signs touting both President Barack Obama and the failed stimulus program.

WATCH: "Signs of a Failed Stimulus"

Yesterday, Ranking Member Issa released a report – *Analysis of the First Year of the Obama Administration: Public Relations and Propaganda Initiatives* – cataloging the Obama White House's pattern of leveraging public money and campaign relationships to unlawfully generate support for the President's agenda. Ranking Member Issa also sent a letter

to the Government Accountability Office (GAO) requesting a formal investigation of the legality of these propaganda initiatives.
